## OBJECTIVE

I'm DEVANSH, a third-year B.Tech Computer Science student at Galgotias University actively seeking an internship opportunity to gain practical experience, contribute meaningfully to real-world projects, and grow in a collaborative and dynamic software development environment.

## TECHNICAL SKILLS

- Languages: C++ (Primary), Java, Python, HTML, CSS,Javascript,SQL
- Tools: Git, VS Code
- Concepts: OOP, Data Structures & Algorithms

## PROJECTS

**TEXT BASED ADVENTURE GAME**

A console-based interactive game where players navigate through a branching story by making decisions.
- Developed using Java as a Maven-based project
- Used OOP principles to design characters, events, and story paths
- Implemented logic for user input handling, multiple story outcomes, and modular code structure
- Focused on clean code practices and project structuring using Maven
